CENSUS OF THE COMMONWEALTH, 30th JUNE, 1954.

No.6: WESTERN AUSTRALIA - POPULATION OF MUNICIPALITIES AND OF NON-MUNICIPAL TOWNS (1,000 or more).

This Bulletin contains particulars of the population recorded in each Municipality and also in each Non-municipal Town with a population of 1,000 persons or more in Western Australia at the Census of 30th June, 1954.

These figures are issued at a comparatively early stage in an interim form, as they are derived from the initial Field Count and may in some cases be subject to considerable amendments on completion of tabulation.

The Municipalities and Non-municipal Towns have been arranged in groups by Statistical Zones, then in alphabetical order. The Municipalities, Road Districts, etc. which constitute the Perth Metropolitan Area, Fremantle and Suburbs, and Kalgoorlie and Suburbs, are shown separately.

Non-municipal Towns, as the name implies, are towns which are not separately incorporated for purposes of local government. They have been indicated herein by adding the letters "N.M." after the name of the town. Boundaries of these towns were specially determined for Census purposes to embrace the urban areas which could be regarded as the town. Municipalities have been indicated by the letter "M".
